

Gold Ingot Quality Commitment Statement

I, the undersigned, on behalf of our company as a qualified supplier of standard gold ingots of the relevant grades accredited by the Shanghai Gold Exchange, hereby undertake to the People's Bank of China, the Shanghai Gold Exchange and its members that our company will:

1. strictly enforce the *SGE Standard for Gold Ingot*;
2. assume lifetime responsibility for the quality of gold ingots manufactured by our company;
3. guarantee that the gold ingots manufactured by our company will have the weight indicated;
4. guarantee that the gold ingots manufactured by our company will have the fineness level indicated;
5. closely monitor our refining process and continuously improve our assaying capabilities to provide high-quality standard gold ingots for all members; and
6. remedy for all losses arising from any quality issue of the gold ingots manufactured by our company, and assume full responsibility for all resulting financial and legal consequences.
